## By Way of Editorial Comment:

### FFA—A Dynamic Educational Program

Walter R. Williams, Jr., Director Vocational, Technical, and Adult Education, State Department of Education, Tallahassee, Florida

THE FUTURE Farmers of America is indeed a dynamic organization. Founded in 1928, at a time when America was yet a rural society, it adopted as its purpose the development of agricultural leadership, cooperation, and citizenship. It is interesting to note that within the span of one generation, the Future Farmers of America program has achieved wide-spread success and national significance through its service to rural youth. For those who have observed Chapter, State, or National Future Farmer activities, there can be little doubt concerning the educational contributions of this organization to its membership and to society.

It must be recognized, however, that we live in an age of rapid change. The application of science and invention to technology has wrought extensive change in the broad field of agriculture. New and improved techniques of production, processing, and distribution of farm products have combined to increase efficiency and modify the basic structure of the industry of agriculture. Indeed, agriculture no longer consists of row-crop or subsistence farming. It is now a highly specialized occupational field applying the latest scientific developments in plant propagation and animal breeding. Accordingly, occupational patterns in agriculture have changed significantly in the past three decades, and there has been a corresponding change in the competencies required of personnel for successful employment in agriculture. The agricultural worker of today is a highly skilled person whose knowledge of applied science and experience related to his special- ized qualify him for employment in se-

lected areas of production and process- ing of products, distribution and service of equipment and supplies, agricultural engineering, and research and develop- ment related to agriculture.

Today, as in the past, the Future Farmers of America program is contribut-

Dr. Walter R. Williams, Jr.

ing directly and significantly to the pre- paration of youth for responsibilities in the field of agri-industry. A program of work, under the skillful supervision of an

## The Cover

advisor provides opportunity for youth to practice under realistic circumstances the behavior to be learned. As students identify goals and select activities through which these may be achieved, they are at once involved in the vital process of planning and organizing useful activities—and at the same time establish bench marks by which the effectiveness of their efforts may be evaluated. Supervised farming projects likewise provide opportunity for first hand experience in practicing recommended procedures in production, processing, or distribution of farm products. Regularly scheduled chapter meetings are conducted by students where close adherence to accepted parliamentary procedure is required. Con- tests of various kinds including public speaking, demonstrations, and exhibitions further extend the range of educational opportunity to challenge youth.

Thus, the organization provides a dy- namic program of education which is pur- poseful and realistic. The Future Farm- er of America is indeed a vital part of the total educational effort which is dedicated to the task of building a stronger America through education.

# 37th National FFA Convention in Kansas City Will Begin October 12th With Registration

THE 37TH ANNUAL F.F.A. Convention in Kansas City, Missouri will begin with registration, October 12. Approximately 200 members and friends from Florida have indicated that they expect to be present to see and meet other Future Farmers from fifty states and Puerto Rico attending the National Convention.

Official delegates from Florida will be Fred Whitelaw, Jr., Past State FFA President from Inverness and Marion Riviere, State President from Alachua. The other State FFA Vice Presidents have been designated as alternates. The two delegates from each Association form the Convention's voting body. Three Florida Future Farmers will participate in the FFA's "Mail Order" National Band.

Ten of Florida's farm boys will re-

ceive the American Farmer Degree, the highest degree of achievement offered by the FFA. Only one member in each 1,000 may receive the degree. It is given for outstanding achievement in farming and rural leadership. Each American Farmer receives a gold key, certificate and a \$125 check from the National FFA Foundation. The American Farmer Candidates from Florida are: George H. Culverhouse, Jr., Fort Pierce; Archie William Gaylord, Jr., Branford; Rodney Hammond, Winter Haven; David Talmadge King, Jasper; Richard Noel Parra-more, Quincy; John B. Sargeant, Jr., Lakeland; Barney Joseph Stephens, Santa Fe, Alachua; Thomas Leonard Thorn, Paxton; Hubert Larry Walker, Mulberry; Fred D. Whitelaw, Inverness.

George Culverhouse, Jr., has been selected as the Star Farmer of the Southern Region and will be competing with the other Regional winners, Merlin Hamilton, Queen Creek, Arizona; Lyle F. Nielsen, Creighton, Nebraska and Don Carlton Tyler of Conneautville, Pennsylvania for the Star Farmer of America title and award.

George's father will receive the Honorary American Farmer Degree and his mother and wife, Irene will receive special citations.

Also receiving the Honorary American Farmer Degree will be D. A. Storms, Sr., County Coordinator, Hillsborough County in Plant City. Three Florida FFA Chapters have entries in the National Chapter Awards Program and will have representatives in Kansas City to hear the results of their efforts and receive their awards. The chapters are: Santa Fe at Alachua, Fort Pierce and Paxton.

Brad Culverhouse, Fort Pierce, 1964 Star State Farmer and winner of the Mid-States Steel Award, will carry the State Flag in the ceremony on Thursday night featuring presentations of the 1964 Star Farmer of America Awards. John W. Wetmore will be attending since he received the Southern Nitrogen Company and Florida Nitrogen Company Award as Adviser of the Star State Farmer. The other two Area Star Farmers, Joe Johnson, Havana and David Fugate, Santa Fe, and the three District Star Farmers, James Wells, Jay, Douglas Prevatt, Pier-son and David Michael Clark, Bartow, will also be in attendance as winners of the Southern Nitrogen and Florida Nitrogen Leadership Awards for 1964.

John D. Odom, III, Bradford Chapter at Starke, 1964 Star Green Hand Farmer along with his Adviser, Paul C. Hutchins and the six District Star Green Hands; Theron F. Russ, III, Vernon; Stephen Yodor, Blountstown; Freddie Hitchcock, Santa Fe Chapter at Alachua; Kent Richard Crakes, Apopka; Larry Parker, Brandon and Ronnie Durrance, Wauchula, also will be in attendance through the sponsorship of Doyle E. Conner, Commissioner of Agriculture.

Emery Stokes of Baldwin FFA Chapter, winner of the State Forestry Contest sponsored by the Seaboard Air Line Railroad Company, and his Adviser, R. E. Jones, will be attending the convention through the arrangements of R. N. Hoskins, General Forest Agent, Seaboard Air Line Railroad Company.

On October 10th, Emery will leave for Richmond where he will join R. N. Hoskins and other state winners from the Southeast on a tour including Williamsburg, Virginia, Cincinnati, Ohio and St. Louis, Missouri, before going to Kansas City.

Randy Shelton, Blountstown, winner of

the 6th State Naval Stores Award, sponsored by the Naval Stores Industry, will attend the National Convention, along with his advisers, Lamar Jones and Fred Ward. John C. Capps, President of the Blountstown Chapter, along with Advisers, Lamar Jones and Fred Ward and some members of the chapter will be attending as State winner of the Chapter Forestry Contest sponsored by the St. Regis Paper Company.

The Marianna Livestock Judging Team composed of Ken Godfrey, Rona Foran, Billy Swails, and Alternate, Dan Coullette, with their Adviser, R. F. Toole, will represent Florida in the National Livestock Judging Contest.

The Santa Fe-Senior Chapter Meats Judging Team, composed of Glen Busby, Lowell Parrish and Ronnie Prentice with their Advisers, Kenneth Lee and F. D. McCormick and Alternate Grier Wells will represent Florida in the national competition. Also a Poultry Judging Team from this same chapter composed of Kenneth Young, James Petty, Charles Kersey and Alternate Terry English will represent Florida in the national competition through the sponsorship of the State Department of Agriculture in the national competition.

Van Bryant, Greensboro FFA Chapter, will be attending the convention as the 4th Annual winner of the Flint River Mills Award as the outstanding FFA Swine Exhibitor in the North Florida Fair last November.

Featured on the Talent Program will be the Zephyrhills String Band. Members of the band are: Henry Hill, Tommy Dodd, Denver Hiott, Jimmy Lindsey, David Hutchinson and Jack Vincent.

Attending the convention as winners of special awards from the State Department of Agriculture are Aubrey Lewis Ward, Suwannee Chapter at Live Oak; Eli Beasley, Bronson and John W. Lee, Turkey Creek. James Lusk, Lakeland, State winner of the Feeder-Steer Award will attend the Convention.

Serving on the National Courtesy Corps will be John D. Odom, III, Bradford Chapter at Starke; James Wells, Jay; Lewis Ward, Suwannee Chapter at Live Oak, Paul C. Hutchins, Starke; and Fred Ward, Blountstown.

Friends of the Future Farmers who are planning to attend the convention are Mr. and Mrs. George Culverhouse, Sr., Fort Pierce, Mr. and Mrs. H. Wilson Suggs, Teacher of Vocational Agriculture, Branford High School; Mr. L. Warren Harrell, Coordinator of Vocational Agriculture, Polk County, Bartow; Mrs. Mattie Lou King, Jasper; Mrs. A. W. Gaylord, Jr., Branford; Mr. Morris E. Zipper, Principal, Lakeland High School; Mr. H. C. Ortt, Principal, Winter Haven High School; W. H. Purcell, Principal, Mulberry High School; Mr. and Mrs. Ed Raikes and son, Manager, Wilson and Toomer Fertilizer Company, Fort Pierce.

Also, for the second time, State and District winners of the Farm Mechanics Award will be attending the Convention, sponsored by the Ford Motor Company of Jacksonville. They are Larry Ford

and his Adviser, Douglas Edwards of Malone; Jack Adams, Paxton; Bill Laseter, Jennings; Louis Hagan, Santa Fe at Alachua; Carl Sumnerall, Tavares; Joe Johnson, Bartow, and Brad Culverhouse, Ft. Pierce.

Also for the second time, the State and District Farm Electrification Winners will be attending the convention. They are sponsored by the Gulf Power Company, Pensacola; Tampa Electric Company; Florida Power Corporation, St. Petersburg and Florida Power and Light Company, Miami. This group will be composed of State winner Glen Busby and his advisers, Kenneth Lee and F. D. McCormick. District winners, Terry

Beasley, Tate-Gonzalez; Gary Fulford, Monticello; Dan Earl Royster, Williston; Charles Holter, Tavares; Donald Hinton, Turkey Creek and Brad Culverhouse, Ft. Pierce and two Area Advisers, J. C. Waldron, Monticello; John St. Martin, Turkey Creek.

Serving on the National FFA Convention State Crew will be: Paul Adams, State Secretary, Florida Association, Summerfield; Brad Culverhouse, State Treasurer from Ft. Pierce; Bobby Coburn, State Sentinel, Winter Haven; Thomas Smith, Chapter President, Quincy FFA Chapter in Quincy; Randy Shelton, Chapter President, Blountstown FFA

(Continued on page 13)

## Call for National Convention

**TO MEMBERS OF THE FUTURE FARMERS OF AMERICA:** As your National President of the Future Farmers of America, I am issuing a call for all State Associations to send delegates to the 37th National Convention which will be held in the Municipal Auditorium, Kansas City, Missouri, October 14-16, 1964.

This year, your convention has planned to serve as an especially inspirational and informative experience for all in attendance. A Vespers Program will provide a fitting introduction on Tuesday evening, and the convention will embrace a matinee performance of the American Royal Livestock and Horse show. Offering many highly respected personages and inspirational speakers, the convention sessions are planned to execute business, recognize outstanding achievements, demonstrate and promote leadership training, elect new officers for next year and to leave every Future Farmer and adult with a renewed dedication to the Aim and Purposes of the FFA.

All chartered State Associations in good standing with the national organization are expected to send two official delegates and two alternates from the active membership. It is urged that official delegates arrive in Kansas City in time for the 10:00 a.m. delegate registration and for the Officer-Delegate Luncheon at 11:45 a.m. on Tuesday, October 13. Convention committees will be announced and will meet immediately following the luncheon. State Associations should also have in attendance at the convention those candidates recommended for the American Farmer Degree, candidates for national office, those members who are to receive awards and others who have official business at the convention.

Local chapters are encouraged to send representatives to the national convention. Any local chapter of the FFA is entitled to have a maximum of six, or 10% of the total membership, whichever is the greater, of carefully selected members to attend the convention, provided they come to Kansas City with properly completed official registration cards, bearing the signatures of the chapter adviser and school principal or superintendent. This number does not include national or regional award winners, members on official status, such as band, judging team, Courtesy Corps, ushers or special program participants.

The 37th Annual National Convention will be the highlight of our FFA year. I urge all Future Farmers who will attend the convention to be present for all sessions from Wednesday morning, October 14th through Friday evening, October 16th. With the help and cooperation of all present, our convention can be a great success. I look forward to seeing you in Kansas City.

Nels J. Ackerson  
National President

## REDDY SALUTES FLORIDA'S FUTURE FARMERS

Tomorrow's successful farmers will profit by the knowledge of advanced techniques and the increased use of electric power on the farm.

Dependable, low-cost electricity makes production and processing more efficient, more profitable. And FP&L is constantly planning ahead to serve you better and to improve rural living in many ways.

When you're ready to start out on your own...  
**MORE POWER TO YOU!**

### Archie William Gaylord, Jr.

ARCHIE WILLIAM GAYLORD, JR., is the 21 year old son of Mr. and Mrs. A. W. Gaylord of O'Brien, Florida, and is a graduate of the Branford High School. While in school he was very active in the FFA Chapter serving as Chapter President, Treasurer and Sentinel. He attended leadership school and served as delegate to the State Convention and Forestry Training Camp. He served on the Parliamentary Procedure Team and as speaker for Civic Club and Radio programs.

His Supervised Farming Program includes 60 acres corn for grain, 2.96 acres of Flue-cured tobacco, 5 head of beef-breeding cattle, 5 acres of peanuts and 3 head of hogs for breeding.

Archie William is married and has one child.

### David Talmadge King

DAVID TALMADGE KING, a graduate of the Jasper High School, and past State vice President of the Florida Association, FFA is the 19 year old son of Mrs. Mattie Lou King.

His Supervised Farming Program consists of 75 acres of corn, 45 head of hogs for meat, 2 head of cows for breeding and 3 head of hogs. He has on 50% partnership 2½ acres of tobacco, 30 acres of watermelons, 150 acres of forestry and ½ acre of truck crops.

During his high school years he served as delegate to the State and National Conventions, delegate to Camp Minwanca and to the Southern Safety Con-

ference in Jackson Mississippi. He was a member of the Parliamentary Procedure team and served on several committees. He served as speaker for Radio and TV programs and also spoke to the Rotary Club of Baltimore as the state winner of the Seaboard Forestry Award. David deserves a lot of credit for his accomplishments. His father died while he was still in school, leaving him as manager and operator of the 387 acre home farm, with the help of his mother and younger brother.

He won many honors in FFA work including Farm Electrification, Farm Mechanics, Chapter Leadership Award, Chapter Star Farmer, Soil and Water Management and in 1962-63 he was selected as the Star State Farmer in Florida.

### Rodney A. Hammond

RODNEY A. HAMMOND, a graduate of the Winter Haven-Senior High School, is the 20 year old son of Mr. and Mrs. M. E. Hammond.

His Supervised Farming Program includes nine head of beef-cattle, and eighteen acres of pasture for hay, silage and forage.

Rodney's leadership activities have included, corresponding Secretary of his chapter, chapter delegate to the Leadership School, Junior member of the Polk County Farm Bureau, Exhibitor of Brahman cattle and is a member of the Theta Chi Fraternity.

He is attending the University of Florida and working toward a degree in Industrial Engineering.

### Richard Parramore

RICHARD PARRAMORE, 20 year old son of Mr. and Mrs. Eudell O. Parramore of Quincy, Florida, graduated from Quincy High School. While in school, he was very active in the FFA Chapter, serving as Chapter Reporter.

In his four years of Vocational Agriculture, he won many awards in showing swine as an outstanding exhibitor.

His Supervised Farming Program includes 8 head of cows for breeding, and in partnership, he has 40 head of cows for breeding, 100 head of swine for meat, and 10 acres of corn.

Richard is farming at home while working at an industrial plant and planning for the time he will be in a position to spend full time on the farm.

### John B. Sargeant, Jr.

JOHN B. SARGEANT, JR., a graduate of the Lakeland High School, is the son of Mr. and Mrs. John B. Sargeant, Sr., and is 21 years of age.

John has 12 brood cows, 2 two-year old heifers, 5 steer calves, 1 Angus bull and 2 horses in his Supervised Farming Program.

He has served as President and Reporter of his chapter; delegate to the State Convention, attended leadership meetings and served on various committees. While in school, he participated in the American Guernsey Club and was nominated by the Jaycees for outstanding Young Farmer Award.

At the present time with "work" as his motto, he is striving to make his am-

bitions and dreams become realities. That is—to be a progressive Dairyman-Rancher.

### Barney Joseph Stephens

BARNEY JOSEPH STEPHENS, 20 year old son of Mrs. Verna E. Stephens, of Branford, Florida, graduated from the Santa Fe-Senior High School. While in school, he was very active in the FFA Chapter, serving as Reporter and Treasurer.

His Supervised Farming Program this year consists of 15 head of hogs for breeding, 15 acres of wheat, 18 acres millet, and in partnership, 125 acres of corn for grain, 1.9 acres of peanuts for seed, 25 acres of peanuts for feed, and 45 head hogs for meat. This program is carried out on 280 acres of land which he owns.

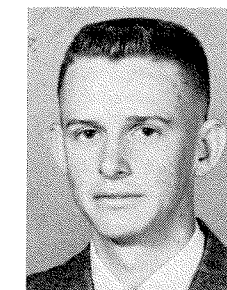

Barney has been very active in community activities including the Farm Bureau, North Florida Production Credit Association, High School Band and Science Club.

He is a hard working farm boy interested in becoming established in farming and being a veterinarian. He has continued to increase his farming program and attend Junior College in Lake City which is 17 miles from his home. He is a Christian and an energetic worker in the church.

George Culverhouse, Jr., Ft. Pierce, 1964 Star Farmer of the South, his wife, Irene, and their daughter, Donna Lee, are shown here talking to the minister after church on Sunday morning.

George Culverhouse, Jr., Ft. Pierce, 1964 Star Farmer of the South, is also a Little League Coach. Two of his team members are getting pointers on batting from him.

George Culverhouse, Jr., Ft. Pierce, 1964 Southern Regional Star Farmer, and wife, Irene, feeding their daughter, Donna Lee.

# Culverhouse Named FFA Star Farmer

GEORGE H. CULVERHOUSE, JR., of Fort Pierce was one of four outstanding young farmers named by the board of directors of the Future Farmers of America to receive the organization's Star American Farmer award for 1964 for the Southern Region.

Others named along with Culverhouse were: Merlin Hamilton, Queen Creek, Arizona; Lyle F. Nielson, Creighton, Nebraska; Don Carlton Tyler of Conneautville, Pennsylvania.

As Star American Farmers for their respective areas, each of the winners will receive a cash award of \$500 at the national FFA convention at Kansas City, Missouri, October 15. At that time, one of them will be named Star Farmer of America and will receive an additional \$500.

Selection of the Star American Farmers is based on achievements in farming and FFA leadership activities. The four named for 1964 were picked from among 405 members who had been recommended by their respective State FFA associations to receive the degree of American Farmer.

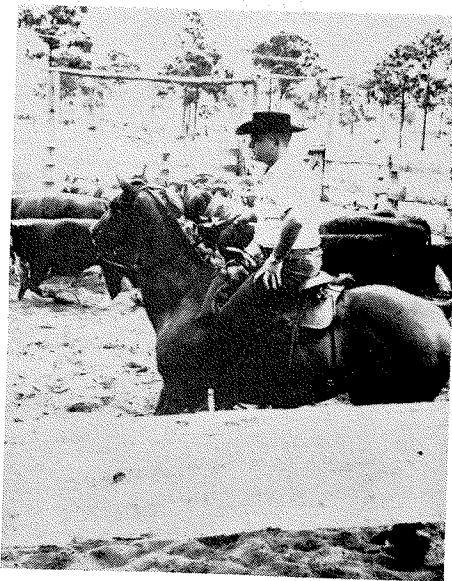

Culverhouse has one of the largest farming programs ever shown by a candidate for the award with an investment in excess of \$800,000 consisting of a one-third interest in 12,000 acres valued at approximately \$200 per acre and full ownership of 645 head of cattle, 20 swine and eight horses.

In 1953 young Culverhouse, along with his brother Brad, who is also a member of FFA, and his mother inherited 12,000 acres of land, 645 head of range cattle and some equipment and machinery. At the time of the inheritance, the land was valued at approximately \$50.00 per acre.

A renovation program was begun in cooperation with several vegetable and melon growers in the area. The native pasture was leased to the growers, rent free, providing they would crop it for one year, and leave it in suitable condition for seeding and planting to permanent pasture, mostly clover and Coastal Bermuda grass. This program increased the value of the land to an average of \$200.00 per acre.

All the animals inherited were grade cattle. By using registered Hereford bulls, Culverhouse is now approaching a pure line herd. Other herd improvements included a careful culling program, cutting out undesirable calves, heifers and brood cows, the use of non-related bulls in the breeding program, and more careful control of the breeding seasons.

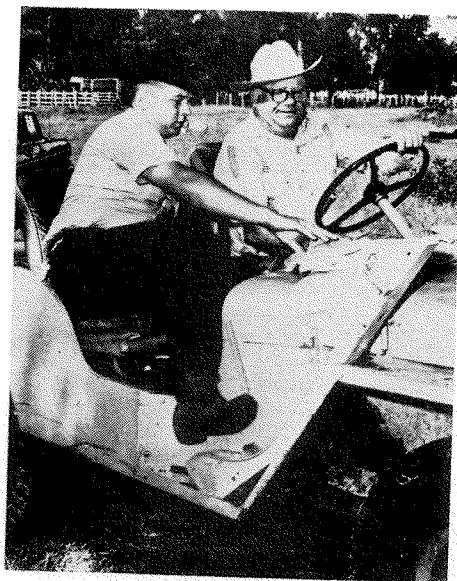

Culverhouse began creep feeding calves, and offering recommended mineral mixes to his cattle. He began a program of dipping and drenching for para-

site control, and rotating pastures for better nutrition.

In addition to carrying out the improvement program with his grade cattle, Culverhouse started a herd of pure-bred Hereford cattle. The herd now consists of 29 brood cows, eight heifers, 10 calves and two bulls. The first 10 brood cows and the two bulls were purchased with money derived from his supervised farming program in FFA.

George Culverhouse, Jr., Ft. Pierce, 1964 Southern Regional Star Farmer, boards jeep with father (driving), George Culverhouse, Sr., to resume filming of the FFA Star Farmer's story.

Florida Future Farmer for Fall, 1964

Star Farmer award winner George H. Culverhouse, Jr., (center), recently had motion pictures taken of his Hereford operation at Fort Pierce by C. L. Venard (left) of Peoria, Illinois, while young brother Brad Culverhouse looks on. The film will be shown at the national FFA convention at Kansas City, Missouri in October for use in selecting the Star Farmer of America for 1964.

He now plans to purchase 25 open heifers to add to his herd. These heifers will be added to the breeding herd only if they pass a rigid culling program he has established.

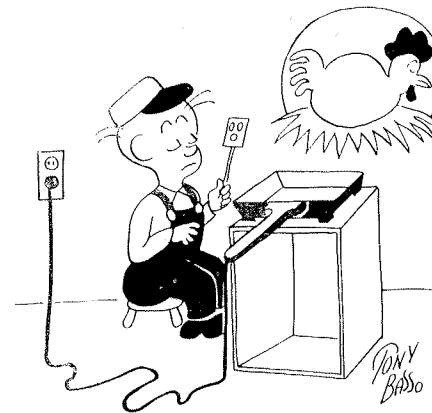

In addition to the livestock program, Culverhouse has begun work laying out

Florida Future Farmer for Fall, 1964

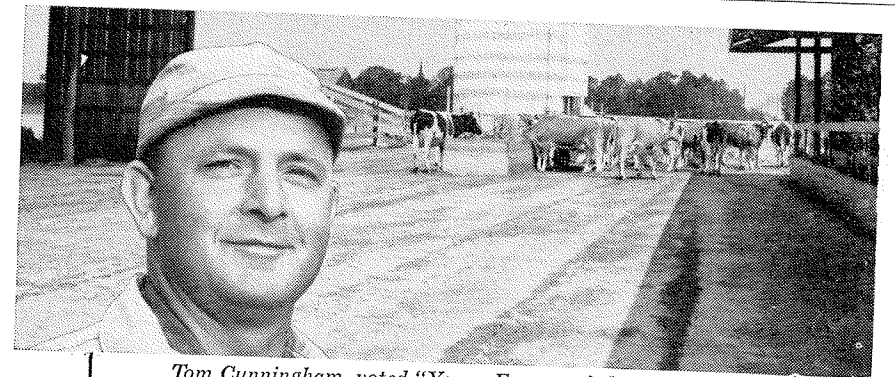

the first phase of a 1200 acre citrus grove, of which he will be one-third

owner. The grove is to be set in four sections, each to be 300 acres. The ditching and diking for the first section is now underway. He says that, since South Florida is becoming the heart of the citrus industry in the United States, his grove added to his cattle program, will give him diversification.

Improvement plans for the future include further improvements to the pastures, farm building and cattle pen renovation, improved water control and improved facilities for maintenance of farm machinery and equipment.

He served as an officer of the Fort Pierce FFA chapter for three years. He is a member of the vocational agriculture advisory council for Dan McCarty High School at Fort Pierce, and is a director of the St. Lucie County Cattlemen's Association.

Tom Cunningham, voted "Young Farmer of the Year" by the South Carolina Association of Young Farmers of America.

## "With cows on concrete, milk production stays high even in the rainiest weather"

Says T. B. "TOM" CUNNINGHAM, Darlington, South Carolina

"I'm well pleased with the way these concrete paved lots work out in our loose housing dairy set-up. Cows don't waste feed and energy struggling in muck and mud. Our records prove we get consistently higher milk production per cow, all year around. Clean-ups are easy and fast. In fact, since putting our cows on concrete, we've cut our labor in half although we've doubled our herd."

Concrete barnyards pay in many ways. No feed is trampled in mud—more feed goes toward producing milk. Herds stay healthier. Vet bills are lower—concrete reduces mastitis and foot rot. And less cleaning required in the stalls means that cows get in and out of the milking parlor faster. No wonder paved lots gain in popularity every year!

1964-65 State FFA Officers meeting in the Gulf Power Company's Conference room in Pensacola during the Annual State Officers' Leadership Training meeting and Goodwill Tour.

## Annual Leadership Training Meeting And 10th Goodwill Tour Held in July

THE STATE FFA Officers held their Annual Leadership Training Meeting and 10th Goodwill Tour, July 17-29.

Arrangements for the Leadership meeting and tour in Pensacola were made by Richard Potter, Agricultural Representative of the Gulf Power Company, and O. R. Farish, Vocational Agriculture Teacher in the Tate High School at Gonzalez.

In Jacksonville, the arrangements were made by James E. Gorman, General Manager of the Florida Retail Federation. Splendid cooperation was given by business and civic leaders, City and County personnel along the line of the tour.

Traveling with the party this year were the State FFA officers, members of the Advisory Committee and the State Executive Secretary.

The State FFA officers were able to see that agriculture and industry are interdependent. While Agriculture supplies industry with raw material, they were able to see industry's place in making supplies and equipment available to the users in the field of Agriculture. They were impressed by the research done by industry and the number of people working on the back side of business to enable sales personnel to accommodate the customers.

On Friday, July 17, the officers met at Camp O'Leno and attended the Annual Banquet for Future Farmers attending Forestry Training Camp. The State FFA President, Marion Riviere, presented the Honorary State Farmer Degree to

Sears Roebuck Company, Gulf Power Company, St. Regis Paper Company, Cotton States Insurance, Santa Rosa Island Authority, Florida National Bank in Brent and the Pensacola Interstate Fair.

The officers stopped in Marianna where the Jackson County Farm Bureau had arranged for them to give a special program at the weekly meeting of the Marianna Kiwanis Club. Larry Ford, 1963 Star State Farmer and past State Officer and Brad Culverhouse, 1964 Star State Farmer and Vice President gave the highlights of their Supervised Farming program, and State President Marion Riviere gave a brief summary of the highlights of the 1963-64 FFA year. Mr. R. E. Brunson, Principal of the Malone High School was presented the Honorary State Farmer Degree.

In Tallahassee, State Superintendent Thomas D. Bailey and Dr. Doak S. Campbell, Former President of the Florida State University in Tallahassee, greeted the officers in the State Cabinet room, and the officers presented Dr. Campbell with the Honorary State Farmer Degree since he was unable to be present at the State FFA Convention.

Mr. Frank Denis, Manager of Sears Roebuck Company, Tallahassee, was host for dinner, and Bill Smith, Chairman of the Agricultural Committee of Tallahassee Chamber of Commerce, for breakfast at the Duval Hotel.

At Foley, they were taken for a tour of Buckeye Cellulose Plant and were guests of Buckeye for lunch. In Branford, H. Wilson Suggs, Vocational Agriculture Teacher and State President of the F.V.A.T.A. had arranged for a special

Left to right, front row: Bobby Ray Darden, Assistant County Agent; H. E. Wood, State Adviser, Florida Association, FFA and Frank Pope, member of the Committee. Seated: Marion C. Riviere, State FFA President, Alachua, and Bill Smith, Chairman of the Agricultural Committee, Tallahassee. Back row: Paul Adams, Second Vice President, FFA, Lake Weir-Summerfield Chapter; James B. Wells, Fourth Vice President from Jay; Brad Culverhouse, Third Vice President from Ft. Pierce; Lewis Ward, First Vice President, Suwannee Chapter at Live Oak; Mitchell T. Starling, Sixth Vice President from Macclenny and Bobby W. Coburn, Fifth Vice President from Winter Haven.

Florida Future Farmer for Fall, 1964

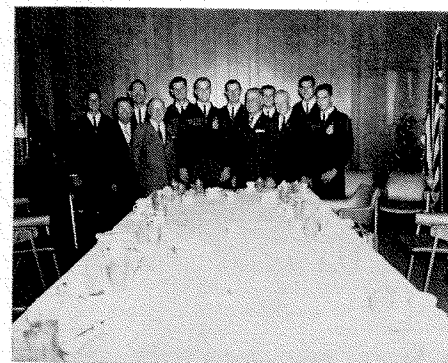

program which was broadcast, followed by a tour of the Ward Fertilizer Company, a boat ride and refreshments on the banks of the Suwannee River. In Lake City, David Herndon, past State Vice President had arranged for the Red Barn to be their host for dinner, and the First National Bank for breakfast.

The night's lodging was taken care of by Howard Johnson Motor Lodge and Terry McDavid, Attorney and past State Vice President, Wade's Inc., Purina Feed Store, and the Columbia County Cattlemen's Association.

In Jacksonville, the Winn-Dixie Stores, Florida Tractor and Equipment Company and the Florida Retail Federation made arrangements for the tour group to be housed in the Roosevelt Hotel. Mayor Hayden Burns arranged for them to take the Annual Fire Boat trip on the St. Johns River. The Florida Publishing Company were their host at the SPA Club for dinner after which they were conducted on a tour of the Newspaper plant and received the first copies of the Monday morning *Florida Times Union*.

The Barnett National Bank was their host on Monday morning for breakfast and a tour of the bank.

For lunch they were the guests of the Jacksonville Kiwanis Club at which they presented a special program during which Brad Culverhouse told about his Supervised Farming Program. Marion Riviere, State President was the emcee and told of the main activities of the Future Farmers. Helen Bretton, State FFA Sweetheart from Arcadia provided the entertainment.

Dr. Doak S. Campbell, Chairman, Associate Counsel in Education, Inc. being presented the Honorary State Farmer Degree by the 1964-65 State FFA Officers in the State Cabinet room during their Annual Goodwill Tour. Left to right: Paul Adams, Summerfield-Lake Weir Chapter, Second Vice President; Bobby W. Coburn, Fifth Vice President, Winter Haven; Dr. Campbell; Lewis Ward, First Vice President, Suwannee Chapter at Live Oak; Marion C. Riviere, State FFA President, Alachua; James B. Wells, Fourth Vice President from Jay; Thomas D. Bailey, State Superintendent of Public Instruction, Tallahassee; Brad Culverhouse, Third Vice President, Ft. Pierce and Mitchell T. Starling, Sixth Vice President from Macclenny.

Monday afternoon, the group visited Sears Roebuck and Company, WFGA-TV-Channel 12 and May-Cohens Department Store after which they were guests of May-Cohens for dinner on Atlantic Beach.

On Tuesday morning, the Standard Oil Company were hosts for breakfast and a tour of their dock facilities. The International Harvester Company officers in Jacksonville were their hosts for a special motion picture and luncheon in the Steer Room.

In the afternoon, a visit was made to the Winn-Dixie Stores Warehouse and to the Florida Tractor and Equipment Company where a special film was shown.

As a climax to the Annual Goodwill Tour, the Mid-States Steel and Wire Company were hosts for dinner at the River Club.

Fred Ward, Teacher of Vocational Agriculture, Blountstown High School, Lamar Jones, Teacher of Vocational Agriculture, Blountstown High School and George Stough, District Forester, St. Regis Paper Company, Jacksonville.

## Blountstown FFA Chapter Wins First Place Award for Best School Forest

THE BLOUNTSTOWN FFA Chapter was presented the first-place award of \$250 for the best school forest in 1963-64 school year by George Stough, District Forester with the St. Regis Paper Company, Jack-

sonville, at a dinner for the Vocational Agriculture Teachers during their annual conference in Orlando, July 9, 1964.

The Bradford FFA Chapter at Starke was runner-up, winning \$100 and the

A. L. C. NELSON and E. R. Howard received honorary State Farmer Degrees at the 30th Annual Forestry Training Camp. Nelson, Hudson Paper Company executive and Howard, Chief of Information and Education for the Florida Forest Service, received the awards for outstanding service on July 17, 1964.

The State Farmer Degrees climaxed the Forestry Training Camp awards. C. H. Coulter, State Forester, awarded eight Future Farmers of America, four each week of camp, Outstanding Camper awards, Twenty-five Dollar Savings Bonds. Twenty-two other campers received Smokey Bear pens and pencils for winning individual forestry activities.

Outstanding Camper awards were won by Lonnie Nichols, Inverness; LeRoy Pepper, Sebring; Wiley Dixon, Center Hill; Jim Hooker, Reddick; Leonard Davis, Maccleny; Albert Whitehurst, Brooksville; David Bell, Graceville; and Joe Mann, Okeechobee.

The 119 Future Farmers attending the first week of camp, July 12-18, were treated by a visit from the State President, Marion C. Riviere and the six area vice presidents. The banquet speaker for the first week was Noah Jackson of St. Regis Paper Company, Jacksonville. Harry Wood, State Supervisor of the Vo-Ag Dept., State Department of Education, pointed out some outstanding Future Farmers who had attended Forestry Training Camp in the past.

John Gray, Director of the School of Forestry, University of Florida, was the featured speaker at the second week's banquet. During that week, July 19-25, 126 boys learned some of the fundamentals of forestry.

Two forestry field days were held each week for the first time. The field days were based on forestry activities which will be used in the area field days throughout the state in 1964-65.

Brooksville FFA Chapter placed third, Baker FFA Chapter fourth, Ft. Pierce Chapter fifth and the New Smyrna-Senior Chapter sixth. Each of these chapters was awarded \$50.

The entries are judged and ranked in order with an award being made in each of the six FFA Districts in the state. The \$250 to the Blountstown Chapter, Lamar Jones and Fred Ward, Advisers, and Johnny Capps, President, is for a trip to the National FFA Convention in Kansas City in October of this year.

The Blountstown FFA Chapter was selected the winner because of the overall job of forest management and the participation of the FFA boys in carrying out their plan of activities for the 1963-64 school year. Their management plan of the forest included: Construction and maintenance of fire lines, reforestation of land by planting pine seedlings, harvesting, demonstration of Naval Stores and demonstration plots on use of fire in the forest and spraying for insect control. Also, they have set up an outdoor classroom for use in teaching forestry.

The inspection team of G. C. Norman, Program Specialist of Agriculture Education; George Stough, District Forester, St. Regis Paper Company, Jacksonville; and Morris W. McClure of the Florida Forest Service, praised the Future Farmers for their continued work in Forestry.

The St. Regis Paper Company and the following Electrical Power suppliers sponsor the FFA Chapter Advisers' Dinner: Gulf Power Company, Pensacola; Tampa Electric Company, Tampa; Florida Power Corporation, St. Petersburg; and the Florida Power and Light Company, Miami.

## National FFA Band Members from Florida

### Robert Lewis Hudson

ROBERT LEWIS HUDSON, son of Mr. and Mrs. Robert F. Hudson of O'Brien, was born July 20, 1949 in Live Oak, Florida. He is a member of the Branford FFA Chapter and the Branford Buccaneer Band.

During the past school term, he served the band as Assistant Sergeant at Arms. Last October Robbie participated in the livestock division of the Suwannee County Fair, showing two barrows that placed fourth and sixth in the competition. He was a member of the chapter livestock judging team at the Florida State Fair in Tampa in 1963; a member of the land judging team and parliamentary procedure team. His summers are spent in general farm work, with much time devoted to assisting in the production and harvesting of flue-cured tobacco on the adjoining farms owned and operated by his grandfather, R. R. Hudson, his uncle, J. Curtis Hudson and father, R. F. Hudson. He is also involved in corn production and the care and breeding of livestock. Earnings from his livestock sales and farm labor are being set aside for college expenses.

Although Robbie attended the National Convention last year as a delegate from the local chapter, he views his selection as a member of the National FFA Band as something special and the highlight of his career in the band and FFA. His hopes are that he will perform at Kansas City in a manner worthy of the honor bestowed upon him. Robbie feels he owes much appreciation to Chapter Adviser, H. Wilson Suggs and Band Master, Oscar H. Munch, Jr., for their training and encouragement which has assisted him in attaining this high honor.

### LEON MOBLEY

LEON MOBLEY, 17-year old son of Mr. and Mrs. Willis Mobley of Macclenny, Florida, received his second National Band nomination this year.

Leon is a senior at the Baker County High School in Macclenny, and is the reporter of his chapter. He is First Chair Cornet player and Vice Chairman of the Baker County High School Band Council. Leon has been a member in good standing of the Debate and Beta Clubs in high school.

He represented his chapter and State Association last year at the National Convention in Kansas City as Florida's only National Band delegate.

His productive enterprise projects have consisted mainly of vegetable production, which includes greens, peas, beans, pepper, okra, tomatoes, and sweet corn.

His chapter activities have consisted of Parliamentary Procedure, Livestock Judging, and Public Speaking.

### Don Walden Stacy

DON WALDEN STACY is the son of Mr. and Mrs. Stanley Stacy of Highland City, Florida was born June 30, 1946. He is a member of the Bartow Junior High Band which has won two superior ratings in Band Quartet and Concert Band.

He was a member of the track team last year; a member of the poultry judging team and the livestock committee for the Bartow FFA Chapter.

Don's supervised practice program consists of poultry (hens and fryers) and a dairy heifer calf.

He will be a junior in the Bartow High School this fall and has had Vocational Agriculture for two years.

### American Farmer

(Continued from page 7)

gram to the full capacity of the available acreage at home.

He graduated from the Paxton High School where he was an outstanding student and very active in school and FFA Chapter affairs. He served as President, Vice President and Secretary of the chapter, delegate to the State and National FFA Conventions, member of Parliamentary Procedure and Judging Teams, participated in banquets and served as chairman of many committees. He was the State winner of the Soil and Water Management Award and the Florida Department of Agriculture Award. His Supervised Farming Program includes: 50 acres of corn, 26 head of cows for meat, 75 head of hogs for meat and 7 acres of peanuts.

He is a member of the Student Council, Projectionist Club, and the New Harmony Baptist Church.

### Hubert Larry Walker

HUBERT LARRY WALKER, 21, member of the Mulberry FFA Chapter, is the son of Mr. and Mrs. Hubert A. Walker of Bowling Green, Florida.

Hubert's Supervised Farming Program consists of 35 head of beef cattle, beef breeding, 200 Citrus Nursery trees, 10 acres of bearing citrus, 3 acres non-bearing citrus, 1 acre truck crops, 30 acres of bahia grass for seed, 30 acres of indigo for seed and 1 head hogs for meat.

Hubert has been active in his chapter work and a delegate to the State and National Conventions. He served as Sec-

retary, Treasurer and Reporter of the Mulberry Chapter.

While in school, he was a member of the Farm Bureau, Mulberry FFA Credit Union, Cattlemen's Association, Brewster Junior Conservation Club and the Pierce Rod and Gun Club.

Hubert is an outstanding young farmer, a leader in his community and a very dependable Christian young man.

### Fred D. Whitelaw, Jr.

FRED D. WHITELAW, past State F.F.A. President and a graduate of the Citrus County High School, is the son of Mrs. Audrey Alice Whitelaw. His partnership farming consists of 20 acres of bearing citrus, 25 acres of non-bearing citrus, 1000 citrus seedlings, 2 acres pecan orchard and 25 acres of bahia-pasture. He has 100% ownership of 8 head of horses and 100 acres of bahia-pasture.

Fred served as president, vice-president and parliamentarian of his chapter and as president of the Florida Association, FFA in 1963-64. Also, he served as chairman of the Public Speaking Committee, DeKalb Award Committee, Chapter Contest and Community Beautification Committees in his chapter.

He was delegate to the State FFA Convention for two years and the National Convention for 4 years. He participated in the Officers Leadership Training Meeting and was chairman of the Banquet Committee. He has been handsomely rewarded for his hard work. He was Tri-State Public Speaker Champion, State President, and Area Star Farmer.

# Meet Standard's new CHEVRON<sup>®</sup> gasolines!

Try Standard's finest...for today's liveliest going!

One of the oldest names in Southern business, Standard Oil, invites you to meet the newest, most exciting name in modern motor fuels—Chevron gasolines. The finest ever offered at Standard stations, home of the South's most popular gasolines for three generations. Choose from *three* great new gasolines, each offering new, livelier performance . . . new long-running economy. For today's *liveliest* going, stop at Standard Oil.

We take better care of your car

The Officers and Advisers  
Florida Association  
Future Farmers of America  
Tallahassee, Florida

Gentlemen:

I have prepared the attached statements and exhibits from the general books of accounts of the Florida Association, Future Farmers of America and present this report in the form of four exhibits as follows:

- EXHIBIT A Balance Sheet at June 30, 1964
- EXHIBIT B Statement of Cash Receipts and Disbursements for the year ended June 30, 1964
- EXHIBIT C Statement of Fund Balances at June 30, 1964
- EXHIBIT D Statement of Unappropriated Surplus at June 30, 1964

My examination was made in accordance with accepted procedure and includes all tests of systems that I deemed necessary in the circumstances.

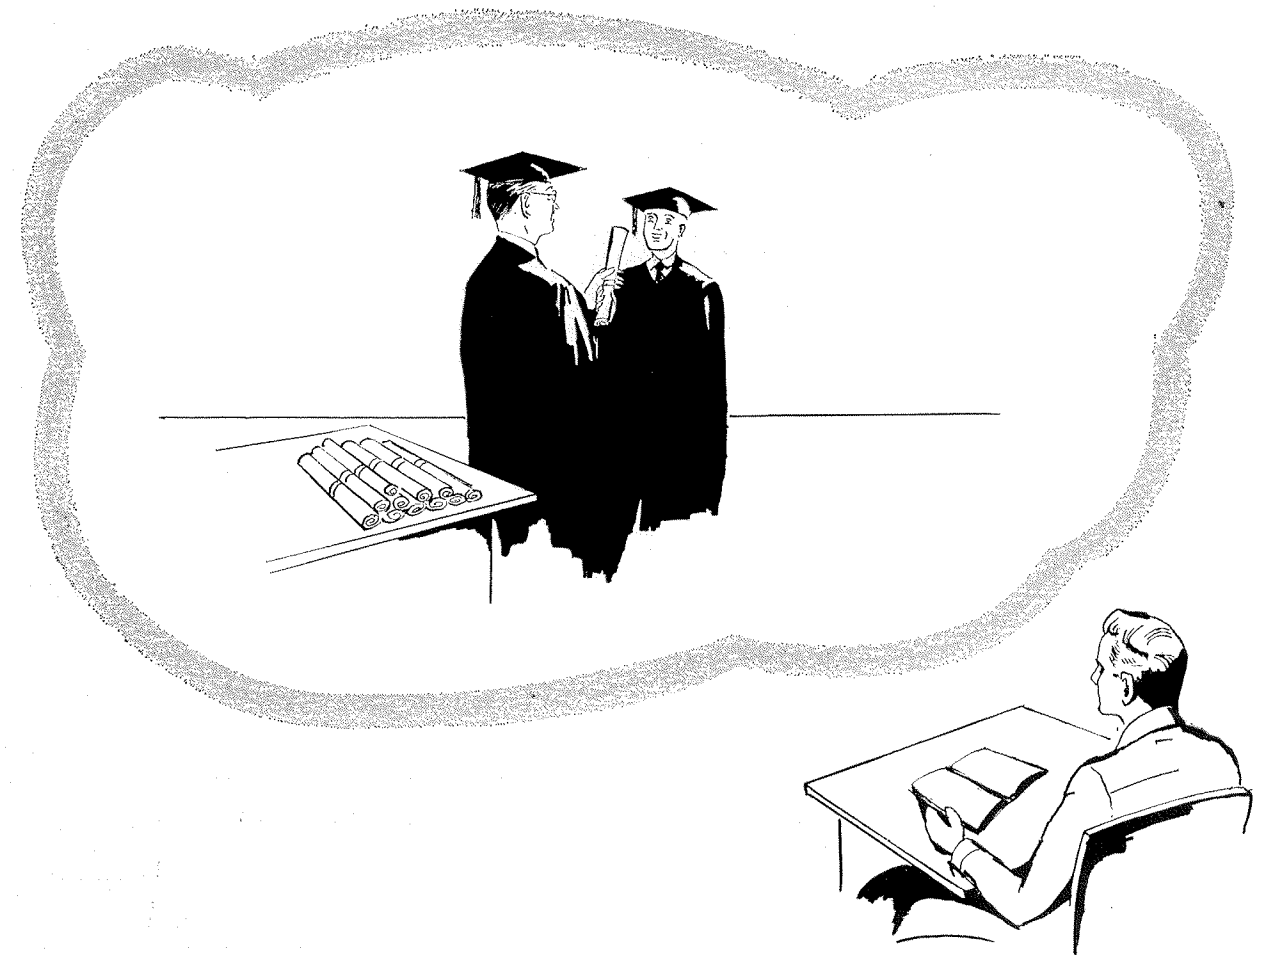

Respectfully Submitted,  
C. D. Crusoe, Accountant

He served as a member of the Governor's Youth Advisory Council and as an usher in the Courtesy Corps at the National Convention.

Fred is a good example of a young man

who took advantage of the training and opportunities offered through Vocational Agriculture and the F.F.A. and who has developed into an outstanding young farmer and citizen.

## **WE WILL SERVE YOU EVEN BETTER!**

We have been serving Florida Agriculture with the finest in agricultural chemicals for more than half a century. Through a continuous and ever expanding research program, we continue our March of Progress in improving and adding to our line of agricultural chemicals available to Florida's agricultural industry.

Keep us in mind. We will be in a position to serve you even better than we had served your father when you become responsible for the future of Florida's agriculture.
